D. Rouillard shared a draft that was started prior to school closing.

1. Curriculum
  - a. PD time for the beginning of the year increased by 3 days. This will allow teachers to plan, prep classrooms and for additional PD.
  - b. District looking at how to increase rigor if we are in a hybrid or distance learning model.
2. Student Screening
  - a. Implement diagnostic test for all students K-10. 11 and 12<sup>th</sup> graders will work on an SAT prep.
  - b. Implement September, January and May.
  - c. PD will be provided to teachers on implementation.
3. Instruction
  - a. Discussion about hybrid and distance learning models.
  - b. Continue use of SBAC interim assessments and standard-based assessments.
  - c. Utilize resources on the CT Learning Hub.
4. Online resources
  - a. Teachers will provide instruction to students on how to access and use the online resources so they can be more independent if we need to implement a hybrid or distance learning model.
  - b. Online resources that EWPS currently subscribes to will be used.
  - c. Discussion about professional development for staff on how to use the online resources.
5. Intervention
  - a. Discussion about format of intervention to service more students.
  - b. Utilize the student screening to determine who qualifies for intervention.
  - c. Discussion about use of instructional tools and how to manage with safety protocols.
6. Attendance
  - a. Discussion about considerations for students who do not attend school.
7. Request for feedback
  - a. Please share feedback with committee members for review and consideration.

The meeting adjourned at 9:14 a.m.

Respectfully submitted,

Laura Foxx
