

Does Your Child Have Health Insurance?

Connecticut offers low-cost or free coverage!

Dear Parent / Guardian,

Is your child protected by health insurance? If not, your school and the State of Connecticut want to help.

Connecticut's HUSKY Health program, for example, pays for doctor visits (including physical exams), prescriptions, emergency care, vision and dental care, mental healthcare, special healthcare needs and more. It's for children under age 19 in families of all incomes. Approximately 300,000 Connecticut children now have their healthcare covered by the HUSKY Health program. **There are two parts to the HUSKY Health program for children:**

- I. **HUSKY A** (or Medicaid) - For children in families with limited income. Parents, relative caregivers and pregnant women may also be eligible.
- II. **HUSKY B** (or Children's Health Insurance Program) - For children in families with higher incomes.

You can apply for HUSKY A or HUSKY B any time of the year.

Most Connecticut residents have to wait until the next Open Enrollment period (**November 1, 2018 - December 15, 2018**) to get healthcare coverage through Access Health CT. You may be able to get coverage earlier if you have a **Qualifying Life Event** OR if you qualify for Medicaid (HUSKY A or D) or CHIP (HUSKY B).

What is a Qualifying Life Event? Qualifying Events* include:

- Just married an Access Health CT customer
- Having or adopting a child
- Permanently moving to Connecticut from another state
- Losing other affordable, minimum Essential Health Benefits
- Having a change in income or household status
