

FEBRUARY SUPERINTENDENT'S CORNER

The Board of Education FY20 budget workshops/related meetings have been determined and are available on our website at www.eastwindsork12.org under News and FY20 Budget. (Documents will be updated as the process moves forward - so please check back!)

In lieu of printing report cards, they will now be available through the Portal. Please check the Portal if you haven't yet seen your child's report card. Please contact Colleen Mayberry at cmayberry@ewct.org if you are having trouble logging into the Portal and require assistance.

At times, situations occur in one of our school buildings or at a school-sponsored activity that result in the use of school safety protocols. As a reminder, under federal privacy laws, we are not able to release any information that could potentially identify a student involved in a situation. I realize that means that we are not sharing all the information that may lead to people feeling more informed. We are happy to answer questions, if we are able, but when we send home messages through voice mail or email we try to include all of the information we believe we can share without violating federal laws. Thank you for understanding.

You can stay current with East Windsor Public Schools by checking out our website at www.eastwindsork12.org.
