ADMINISTRATION

August 2018

Dear Families,

It is hoped you are having a relaxing and enjoyable summer! In a few short weeks we will begin a new and exciting school year.

I am pleased to welcome Tim Field as the new principal at East Windsor Middle School. Tim Field has joined us from the Manchester Public Schools and we look forward to having him with us.

This upcoming year we will be introducing the new science curriculum in all three schools. The new curriculum is aligned with the Next Generation Science Standards. Information can be found on the Curriculum page of the district website at [www.eastwindsork12.org](http://www.eastwindsork12.org).

We will continue to use our parent portal across all grades to communicate with families regarding their child/children and for district communications. Please contact your child's school for additional information on accessing the parent portal as we believe it will be a valuable resource for families.

We thank you for your ongoing support of the East Windsor Public Schools. We look forward to working with you again this year.

Take care,

Christine DeBarge, Ed.D
