CHILD FIND

East Windsor Public Schools is responsible for the identification of students with disabilities who may require special education services for children ages 3 to 21. Due to the Covid-19 pandemic and maintaining safety protocols, Broad Brook Elementary School will not be holding screenings on the first Friday of every month as in previous years for students ages 3-5 during the 2020-2021 school year. Screenings can be scheduled by contacting the special education office at 860-623-3347. Please contact the special education office to schedule an appointment for children ages 3 to 21 that may require special education services, or with any questions regarding a child's development. As a reminder, any adult that works directly with a student may make a referral to special education.
