East Windsor Middle		X	X

- Please note: School-based health services work in conjunction with the care provided by your child's pediatrician and are not intended to replace regular care by your child's primary health-care provider.
- Descriptions of in-school services provided at each school:
  - Medical services include evaluation, diagnosis and treatment of illnesses and injuries. The on-site nurse practitioner can assess, diagnose, and prescribe medications or make referrals when needed. A health history, immunization review, and risk assessment is completed for every enrolled student which also provides an opportunity for health education. You will be notified if vaccines are missing from your child's school record and given the option of having them administered at the School Based Health Center. Sports physicals are also available throughout the school year.
  - Behavioral health services include individual and family counseling, family support services, parenting assistance and group counseling. Our licensed

therapist is available to assess, diagnose, and treat social and emotional problems.

- Mobile dental services are available twice each calendar year and include cleaning, fluoride treatment, exams, sealants (if needed) and education.

If you feel you may need a checkup, here is a quick outline of the SBHC

- Available Services - The SBHC offers many services including: Medical Services, Mental Health Services, and Dental Services.
- All children enrolled in the school based health services program are eligible to receive services regardless of insurance status. For medical and behavioral health services, CHC accepts most insurance plans and there are NO out of pocket expenses. For dental services, there is a small fee if there is no insurance coverage. If you have no insurance, please ask SBHC staff about HUSKY insurance.
- To begin receiving services, please go to [www.SBHC1.com](http://www.SBHC1.com) to sign up **quickly** and **easily** online!

Or print and complete the enrollment form found here. Please note all parts of this registration/enrollment form must be completed, signed and returned to the Health Center or the School Main Office before your child can receive services:

- **Download the form in English or in Spanish**
