

April 9, 2020

Dear Families,

I realize that this is a very trying time for families, and hope that all of you are doing well. I wanted to share some important information with all of you.

AP EXAMS: Students who are enrolled in AP courses received a letter from Mrs. Anderson earlier this week. Please make sure you received it and if not, please contact the high school to get information about the new format for AP testing.

FOOD DISTRIBUTION: The East Windsor Schools continue to provide bagged breakfast and lunch for all students Monday – Friday 7 am – 10 am. These are available at East Windsor Middle School as “grab and go”. Meals will be served on April 10 and the full week of April vacation – April 13- 17. If you don’t have a way to pick up, please contact your child’s school and leave a message. We will try to make arrangements to assist you much as possible.

REPORT ILLNESS: Please remember to contact the nursing lines at your child’s school if your child is feeling sick.

Broad Brook -860-627-4986

East Windsor Middle School -860-654-0094

East Windsor High School -860-627-0169

Thank you for your help in allowing us to monitor the health of our staff and families.

RESOURCES: In an effort to make resources easier for families to access, we will be creating a separate page on our website for distance learning and social emotional support related resources. Please look for that during the vacation week if you would like to access any of those resources.

SCHOOL CLOSURE: As you likely have already heard, the Governor has made the decision to keep schools closed until May 20. We will continue with our distance learning plans as of April 20. Please take the vacation week to step away from the distance learning.

We received guidance from the Connecticut State Department of Education late yesterday regarding grading for the 4th quarter. The administrative team is reviewing that guidance and we will provide you with an update as soon as possible about the specifics for East Windsor students.

Thank you so much for your communication with teachers and administrators. Let me know if you have any questions.

Take care and enjoy the break

Christine DeBarge

Superintendent
