

JANUARY SUPERINTENDENT'S CORNER

Happy New Year!

Welcome Back! I know our staff is rested and ready to get back to working on behalf of all of our students.

Teachers and administrators have begun working on the FY20 budget. It will be presented to the Board of Education and, with their approval, will be presented to the Board of Finance. The dates for these discussions have not yet been finalized.

Please look for information about the Portrait of the Graduate and the Standards Based Report Card in our upcoming newsletters, so you can provide input and stay updated about our work on both of these important items.

Stay connected with the East Windsor Public Schools through the district website, www.eastwindsork12.org or the Parent Portal. Please contact Colleen Mayberry at cmayberry@ewct.org, if you require assistance with the Portal.
