March 16, 2020

Good afternoon,

I am sharing some important information for families:

First, the Governor has mandated that schools in Connecticut close until March 31 so East Windsor will be closed until then. I will provide updates as I learn of them.

Breakfast and lunch will be served - families may pick up bagged meals for breakfast and lunch at East Windsor Middle School from 7 am - 10 am. Pick up is at the middle school for all students. We continue to investigate other options for providing meals. If you have any questions, please leave a message on your child's school answering machine, we are able to access messages remotely.

If you or your child are ill, please contact the nurses at their building directly to report symptoms.

* East Windsor Middle School - 860- 654-0094

* East Windsor High School - 860-627-0169

Finally, I am very pleased to share that I received approval today for our Waiver of the 180 Day Requirement. Per the State Department of Education "Days that you provide such distance learning will satisfy the requirements for a school session." Please ensure your children continue to engage in the distance learning provided as this is "real" school work and will count.

Again, I will continue to provide updates as we get additional information.

Thank you for your continued support and patience.
