

StudentPlus Mobile App

Rediker has launched a mobile app version of the student portal. This app allows students to access school information and student data while on the go. This app is available for iOS and Android devices. Please follow the steps listed below to access the app:

- In the app store, search for 'Rediker StudentPlus'
- When asked to enter your school name, type: EastWindsorHS, or EastWindsorMS, respectively, and hit 'Register'
- Your login information is the same as it is for the student portal.
