

# NOVEMBER SUPERINTENDENT'S CORNER

On Sunday November 11, we honor our veterans and the service they gave to our country. The schools have a variety of activities planned for staff and students on Monday, November 12 to show our respect and appreciation to our veterans.

We have parent teacher conferences this month on November 14,15, and 16. I hope you are able to schedule a time to talk with your child's teacher. Also, please let your child's teacher know if you need assistance accessing the parent portal. They will be happy to forward your contact information to our IT staff for assistance.

Remember, please check the website for information about the East Windsor Public Schools at [www.eastwindsork12.org](http://www.eastwindsork12.org).

Take care

Christine DeBarge, Ed.D
