

Research Question Survey (Exit Ticket)

Reflection on the Question Formulation Technique (QFT) Process

* Required

1. **Student Initials (example: LG) ***

2. **What was your research question? Why did you/your group choose it? ***

3. **Why do you think it's important to have a process for creating a research question? ***

4. **What was the most HELPFUL part of the process? ***

Mark only one oval.

- Step 1. A Question Focus (choosing a topic)
- Step 2. The Rules for Producing Questions (understanding and using the rules)
- Step 3. Producing Questions (thinking of what we wanted to know)
- Step 4. Categorizing Questions (Closed or Open)
- Step 5. Prioritizing Questions (choosing the most interesting question)
- Step 6. Next Steps (choosing the keywords that were most important in the question)

5. **What was the most CHALLENGING part of the process? ***

Mark only one oval.

- Step 1. A Question Focus (choosing a topic)
- Step 2. The Rules for Producing Questions (understanding and using the rules)
- Step 3. Producing Questions (thinking of what we wanted to know)
- Step 4. Categorizing Questions (labeling them Closed or Open, changing them from C to O)
- Step 5. Prioritizing Questions (choosing the most interesting question)
- Step 6. Next Steps (choosing the keywords that were most important in the question)

6. How much effort did it take to use this process of creating a "good" research question? *

Mark only one oval.

	1	2	3	4	5	
LEAST effort	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	MOST effort

7. How do you feel using this process in the future? *

Mark only one oval.

- Show me a few more times, and I will feel confident.
- One more practice session would be enough for me.
- I may need to ask a few questions about the process next time we use it.
- I can do it on my own now with no help.
